### Home Improvement Consultant Joins Grand Rapids Awnings

GRAND RAPIDS, MI—Grand Rapids Awnings, a sister company of Muskegon Awning & Fabrication, has announced the employment of experienced home improvement consultant, Debbie Bowman. Bowman will be working in the company's awning showroom, the only one of its kind in the metro area, at 3150 Plainfield NE, Suite I in Grand Rapids.

"We're delighted to have Debbie on board and believe she'll add a great deal of value especially helping our customers select awning styles, fabrics and colors," said David Bayne, president and owner of Grand Rapids Awnings and Muskegon Awning & Fabrication.

"Few awning companies have someone on staff with the kind of experience and expertise that Debbie offers and we believe our customers will appreciate her assistance."

According to Bayne, Bowman will be available to help customers select awning styles that will compliment the architecture of their homes and businesses. She'll also help them create outdoor living areas using awnings, curtains and shades and show them how to protect their furniture and furnishings while also cooling and heating their homes and offices.

Bowman has decades of experience in the home improvement industry having worked for numerous home improvement companies such as Blodgett Construction and Home Improvement, Dreammaker Bath & Kitchen, Art Van Furniture and Sears Home Improvement.

“I’m delighted to be joining the folks at Grand Rapids Awnings,” said Bowman. “This company is very impressive, as is its sister company, Muskegon Awning & Fabrication. There really is no other awning company in the area to compare. I’m eager to help customers see and experience the huge selection of products and services we have to offer and to show them how our awnings, curtains and shades can add both beauty and comfort to their lives... all while saving them money, too. How many companies can say that!?”

To meet Bowman and to see examples of the commercial and residential awnings, outdoor curtains, shades and more offered by Grand Rapids Awnings, visit the company’s showroom Monday through Friday. The company website is [www.grandrapidsawnings.com](http://www.grandrapidsawnings.com). The phone number is 616-361-4456.

Muskegon Awning & Fabrication is located at 2333 Henry Street in Muskegon and has a large, operational facility along with an awning showroom that is open Monday through Friday. The company has served homeowners and business owners in Western Michigan since 1890. The company website, [www.muskegonawning.com](http://www.muskegonawning.com), features unscripted and unrehearsed video testimonials from business and residential customers, along with the company’s wide variety of products and services including custom-made and professionally installed residential and commercial awnings, enclosures, screens and shades; boat canvas and sport specialty items such as fishing shanties; flags, banners, pennants and signage; vehicle and industrial tarps, curtains and commercial upholstery, and custom fabrication projects.
